PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-128. A resolution adopted by the House of Representatives of the State of Illinois urging Congress to pass legislation that would provide financial assistance to those states with budget deficits in order that the length and depth of the recession will not be worsened due to the limited resources and difficult alternatives presently confronting many states; to the Committee on Appropriations.

HOUSE RESOLUTION No. 551

Whereas, at this time, the United States is continuing to experience one of the worst economic downturns in its history; and

Whereas, the Department of Labor recently reported that the unemployment rate in June rose to a level of 9.5%; and

Whereas, approximately 3.5 million jobs have been lost in the United States since the beginning of the year; and

Whereas, state governments furnish assistance to the unemployed and also provide direct and indirect services to the neediest people in our communities, including the elderly, the disabled, and the very young; and

Whereas, although the American Recovery and Reinvestment Act of 2009 is providing funds to state governments as part of the economic stimulus package designed to spur our nation's economic recovery, the budget deficits of many states have grown significantly, even with the original infusion of federal funds, as shown by the current budget gaps of \$26.3 billion in California and approximately \$9.2 billion in Illinois; and

Whereas, each state with a revenue shortfall faces difficult decisions involving raising taxes and fees on its citizens and businesses that are already adversely affected by the recession and unemployment; reducing financial assistance and grants to educational institutions, local governments, and social service agencies; and laying off significant numbers of employees from the state workforce; and
